TASK FORCE
DISCUSSION QUESTIONS
(as of May 6, 2020)

- 1 How was the QPC, SBC and E&E selected for the motion?
- 2 What is the expectation from each commission? What is the expectation overall?
What is the expected quarterly deliverable to the Board of Supervisors? Is the quarterly report meant to summarize what innovative ideas are received? What do you expect to see on the report?
- 3
- 4 What is the deliverable due date (timeline)? By June 30, September 30, December 31? For how long?
- 5 Who do you expect to participate in the work group?
The motion is specific to "streamlining the County's contracting process." Goods or services? Or both?
- 6
- 7 Are there specific area(s) of the contracting process that you want to focus on?
What type of strategies (to engage and assist businesses) do you want to see? Provide examples.
- 8
- 9 The motion directs the group "to identify potential cost-savings actions that could be taken by each Department." Is there a particular dollar amount you want to set?
- 10 Do you want all ideas reported? Or just material ones as deemed by this group?

MOTION BY SUPERVISORS KATHRYN BARGER
AND HILDA L. SOLIS

APRIL 28, 2020

LOS ANGELES COUNTY ROADMAP TO ECONOMIC RECOVERY

On March 4, 2020, Governor Gavin Newsom proclaimed a State of Emergency in California as a result of the novel coronavirus (COVID-19) global pandemic. On the same day, the Chair of the Los Angeles County Board of Supervisors ("Board") proclaimed the existence of a local emergency in Los Angeles County, and the County Health Officer declared a local health emergency as a result of the COVID-19 pandemic. That day, the Board ratified both the local proclamation of an emergency and the declaration of a local health emergency, activating the County Emergency Operations Center (CEOC) under the management and direction of the Chief Executive Officer (CEO). Further, on March 16, 2020, the County Health Officer issued a public health order that mandated closure of a variety of businesses. On March 19, 2020, the County Health Officer issued the Safer at Home Order to slow the spread of COVID-19.

April 28, 2020

In an effort to protect the public health of all Los Angeles County residents, many of California's thriving industries have been nearly shuttered, including hospitality and tourism, retail and food service, manufacturing, and early childhood education and care.

According to the State of California Employment Development Department (EDD), unemployment increased to 5.3 percent in March 2020 from 3.9 percent in February 2020. More than 3.1 million Californians filed for unemployment benefits over the last month, surpassing the total claims in all of 2008 at the start of the Great Recession. Leisure and hospitality have been the most heavily impacted industries in Los Angeles County, resulting in the largest month over month drop in employment since 1990.

Understandably, businesses are suffering tremendously as they navigate the uncertainty of when they may reopen, adjust to telecommuting and online sales and delivery, practice physical distancing, and reduce their workforce as a result of continued disruption.

Los Angeles County has taken swift action to help workers and businesses, collaborating between multiple departments to launch the first of its kind Disaster Help Center where workers, businesses, non-profits, landlords, and tenants can receive one-on-one counseling and access to essential services. Moreover, Los Angeles County launched an Employer Assistance Grant Fund and a Small Business Loan Fund to offer short-term assistance to bolster the local economy.

-M O R E-

Through these efforts, the County has identified more than 9,000 small businesses in need of support. Further, the creation of the America's Job Center of California Virtual Resource Room connects jobseekers to resources and services. The County established a COVID-19 Relief Fund for small businesses, non-profits, and micro-entrepreneurs, a \$28 million public-private partnership, which is expected to deploy loans and grants in the coming days.

Although the Safer at Home order remains in place, Los Angeles County must put forward a comprehensive plan to revive and re-open our economy and return to full employment as we experienced before COVID-19. This will only be possible through public-private partnerships with industries and governments working together. It is important for Los Angeles County to work directly with our business community to stimulate the local economy by evaluating any regulatory and administrative relief for businesses, workers, and local industry. The Chair of the Board, in accordance with the authority granted under Section 2.68.080 of the Los Angeles County Code, will convene an Economic Resiliency Task Force, comprised of the Chair Pro Tem of the Board, representatives of each relevant department, cities, and leaders from industry, labor, and the business community including chambers of commerce and business organizations, to develop actionable recommendations for the County to leverage public-private partnerships to improve the economy, create jobs, and return to full employment.

-M O R E-

This task force will work to:

- a. Develop a plan and recommendations for short-term, medium-term, and long-term economic recovery in Los Angeles County, including industry partnerships and policy considerations to spur economic growth at the local, state, and federal levels.
- b. Identify financial incentives, if any, the County can provide to existing or new businesses to spur economic recovery as the Safer at Home Order is relaxed.
- c. Develop a systematic plan for the most COVID-19 impacted industries, and in consultation with labor, provide a systematic plan for rapid reemployment.
- d. Formulate policy considerations to spur small business growth and create jobs, including but not limited to: tax credits, public infrastructure investment, and unsecured/business personal property tax rebate, deferral, and/or abatement.
- e. Identify alternatives to existing strategies to engage with the business community regularly, using technology and/or surveys for business owners and business organizations.

-M O R E-

- f. Find options for deferrals, waivers, or reduced permitting and licensing fees or flexible payment structures for qualifying businesses.
- g. Strategize on community benefits for the most impacted neighborhoods and industries.

The CEO, in accordance with the authority granted under Section 2.68.270.K of the Los Angeles County Code, has designated the Director of the Office of Emergency Management (OEM) to serve as the "Director of the CEOC" during the COVID-19 local emergency. In accordance with Section 2.68.270.E. of the Los Angeles County Code, during the COVID-19 local emergency, the Director of the OEM/the Director of the CEOC shall coordinate the initial disaster recovery services to the public, including the administration of local, state, and federal financial aid programs, which may include one-stop disaster assistance centers, applicants' briefing for state and federal grant programs, and County services to expedite recovery.

WE, THEREFORE MOVE THAT the Board of Supervisors direct the Director of the CEOC to work with all relevant departments, including but not limited to the Departments of Workforce Development, Aging and Community Services (WDACS), Consumer and Business Affairs (DCBA), Regional Planning (DRP), Public Works (DPW), Public Social Services (DPSS), Los Angeles County Development Authority (LACDA), the Treasurer Tax Collector (TTC), the Assessor, and the Los Angeles County Office of Education (LACOE) to take the following economic recovery

-M O R E-

and resiliency actions, in consultation with the Departments of Public Health and Health Services, to ensure the ongoing health and well-being of Los Angeles County communities:

1. Consider using County assets to promote neighborhood revitalization, affordable housing, and economic opportunity, and to incentivize adaptive reuse development along financially impacted corridors in partnership with DCBA, LACDA, and DRP. This analysis shall consider and identify all tax increment financing (TIF) programs, including Enhanced Infrastructure Financing Districts (EIFD) and other value capture strategies, which may be advantageous in generating additional revenue. The analysis should also include the identification of Community Development Block Grant (CDBG) funding and the recommendation for use to spur the greatest economic growth. A written report should be returned in 90 days with a list of identified assets and possible uses.
2. Consider the creation of a permanent 501(c)(3) *County Fund for Los Angeles* to raise private capital to develop solutions for economic insecurity in consultation with the Center for Strategic Partnerships, private philanthropic and corporate partners, WDACS, DCBA, and LACDA.

-M O R E-

The CEO and the Center for Strategic Partnerships shall provide a report to the Board in 14 days on the development and oversight of a *Fund* that will:

- a. Prioritize micro-grant opportunities to help underserved communities as part of the County's economic recovery and response, and support and expand upon the policy priorities set forth by the Board of Supervisors.
- b. Be managed by a third-party fiscal sponsor to provide flexible spending that supports economic development and focuses on the most impacted workers and businesses.
- c. Issue Worker Resiliency Grants to jobseekers who work with the public workforce system to receive training, employment readiness, and additional supportive services as they seek employment.
- d. Issue Grants to small businesses for reopening, including assistance with financial oversight with the Small Business Administration and other programs.
- e. Complements efforts already underway Countywide, including but not limited to small business relief funds established by WDACS and LACDA, the public-private County COVID-19 Relief Fund, the Mayor's Fund for Los Angeles, philanthropic efforts sponsored by the California Community Foundation and United Way of Greater LA, and others.

-M O R E-

3. Support legislation and pursue funding opportunities at both the state and federal levels to support efforts that spur economic growth and promote the recovery of the Los Angeles County economy in the wake of COVID-19, including a list of shovel-ready projects that can leverage funding from the anticipated Federal Infrastructure Stimulus Bill.
4. Evaluate the impact of the Economic Resiliency Task Force's implemented recommendations, and all other programs and policies implemented as a result of this motion. Data collected shall include the number of jobs created, workers hired, demographics, median wage earned, change to the unemployment rate over time, and increase in business revenue and industry growth throughout Los Angeles County. The initial evaluation should be completed within 90 days, and subsequent evaluations should be returned quarterly thereafter.

WE, FURTHER MOVE THAT the Board of Supervisors direct the Executive Officer of the Board of Supervisors to work with the Quality and Productivity Commission, in consultation with the Small Business Commission and Economy and Efficiency Commission, to provide quarterly reports on the following actions:

- a. Create a working group to encourage innovative ideas from County employees, businesses, and labor partners that could streamline the

-M O R E-

County's contracting process and encourage strategies to engage and assist businesses; and

- b. Establish a website and email contact to accept and promote innovative and thoughtful ideas from department staff, businesses, and the public to streamline contracting, assist businesses, and identify potential cost-savings actions that could be taken by each department.

WE, FURTHER MOVE THAT the Board of Supervisors direct the Director of the CEOC to work with WDACS to develop and implement a *Los Angeles County Works* Initiative to support a return to full employment and provide a report back to the Board in writing within 90 days. *Los Angeles County Works* shall focus on inclusive economic development and employment and will prioritize rapid reemployment of the Los Angeles County workforce. The initiative shall include:

- a. A partnership between education, labor, industry, the public workforce system, community-based organizations, nonprofit organizations, and business organizations like chambers of commerce to identify worker retraining, apprenticeship opportunities, and job placement.
- b. A partnership between the public workforce system and employers as they start to rehire, including existing and new options to upskill existing staff; a comprehensive education and outreach campaign to offer on-the-job training and subsidized wages to employers as they rehire, transitional

-M O R E-

subsidized employment, use of the Employment Training Panel, and Youth Employment Programs.

- c. The development of a pipeline of skilled, work-ready individuals for priority reemployment in the seven targeted high-growth industry clusters the Board has prioritized, including aerospace, leisure and hospitality, manufacturing, health services, construction, film and digital media sectors, trade and logistics, and bioscience.
- d. A set of recommendations to prioritize hiring for those deemed work-ready by the County's network of America's Job Centers of California (AJCCs).
- e. Options to restructure the AJCC system along with streamlining economic and development programs at the County.

WE, FURTHER MOVE THAT the Board of Supervisors direct the Director of the CEOC to work with LACOE, in coordination with the state and federal Department of Education, along with the 81 school districts in Los Angeles County, First 5 LA, and the Office for the Advancement of Early Care and Education, to report back in 30 days with plans to create safe environments for children, including recommendations for physical distancing measures as well as recommendations for summer camps, day camps, summer enrichment activities, tutoring, recreational programs, and other child-centric programs, and distance learning best practices to enable parents to return to work.

-M O R E-

These plans should also include providing safe and secure options for summer remote learning opportunities via Extended School Year (ESY) and credit recovery programs, as well as recommendations for physical adjustments for physical distancing measures for the fall 2020 opening of the new academic year, including creating alternative school schedules that work best for parents and each community. These programs support parents returning to work while supporting the education workforce.

THE PRELIMINARY TRANSCRIPT
OF THE MEETING OF THE LOS ANGELES COUNTY BOARD OF SUPERVISORS

1 THANK MY STAFF MARTIN REYES AND ALL OTHERS WHO HELPED US PUT
2 THIS ROADMAP TOGETHER FOR A STRONGER L.A. COUNTY'S ECONOMIC
3 RECOVERY. I DON'T THINK WE CAN UNDERSTATE HOW THE EFFECTS OF
4 THIS PANDEMIC ARE HAVING ON OUR LOCAL ECONOMY. ACCORDING TO
5 THE LOS ANGELES ECONOMIC DEVELOPMENT CORPORATION, THEY
6 INDICATE THAT IN MAY OF 2020, SOUTHERN CALIFORNIA COULD HAVE
7 2.8 MILLION FEWER JOBS THAN THE SAME TIME LAST YEAR. THAT'S A
8 27 PERCENT DECREASE. THERE'S NO QUESTION IN MY MIND THAT THE
9 HARDEST HIT ARE OUR SMALL AND MINORITY-OWNED BUSINESSES. AND
10 MANY OF THEM, AS YOU KNOW, ARE STRUGGLING THROUGH THE CRISIS
11 AND SOME HAVE ALREADY SHUTTERED THEIR DOORS AND MAY NEVER
12 REOPEN. AS A FORMER SECRETARY OF LABOR DURING THE GREAT
13 RECESSION, I KNOW THE IMPACTS AND THE CRISIS WILL HAVE NOT
14 ONLY ON OUR BUSINESSES BUT OUR HOUSEHOLDS. THAT'S WHY WE NEED
15 A PLAN TO CAREFULLY AND SAFELY REOPEN THE ECONOMY. SUPERVISOR
16 BARGER AND I ARE WORKING WITH OUR DEPARTMENTS AND OUR C.E.O.
17 TO DEVELOP A COMPREHENSIVE ECONOMIC RECOVERY AND REOPENING
18 PLAN FOR ALL L.A. COUNTY. AS SUPERVISOR BARGER MENTIONED, WE
19 CAN USE THE 5 RES AS OUR GUIDING PRINCIPLES FOR THE CREATION
20 OF AN ECONOMIC RESILIENCY TASKFORCE THAT WILL DEVELOP
21 RECOMMENDATIONS TO IMPROVE THE ECONOMY, CREATE JOBS, AND HELP
22 US RETURN TO FULL EMPLOYMENT. THE TASKFORCE WOULD IDENTIFY
23 INCENTIVES TO SPUR ECONOMIC RECOVERY PARTICULARLY IN THE MOST
24 IMPACTED INDUSTRIES LIKE OUR RESTAURANTS, OUR HOTELS, OUR
25 RETAIL INDUSTRY AS WELL AS MANUFACTURING. THE TASKFORCE WILL

1 ALSO TAKE ON A NUMBER OF OTHER DIRECTIVES INCLUDING CREATING A
2 PERMANENT 501 (C) 3 NONPROFIT TO RAISE PRIVATE CAPITAL TO
3 ADDRESS ECONOMIC INSECURITY THROUGHOUT THE COUNTY. THE
4 TASKFORCE WILL ALSO BE ABLE TO LEVERAGE OTHER EFFORTS FROM OUR
5 STATE AND OUR FEDERAL PARTNERS. AS AN EXAMPLE, GOVERNOR NEWSOM
6 HAS ALREADY ANNOUNCED A NEW STATE PROGRAM TO PROVIDE \$66 IN
7 MEALS TO SENIORS THROUGHOUT THE STATE AND IN PARTNERSHIP WITH
8 OUR LOCAL JURISDICTIONS AND WITH LOCAL RESTAURANTS. THAT IS
9 ALSO GOING TO HELP US SCORE ECONOMIC DEVELOPMENT AND INCREASE
10 EXPANSION OF BRINGING BACK THESE JOBS IN HARD-HIT AREAS. THE
11 COVID-19 PANDEMIC HAS ILLUSTRATED THAT THE ECONOMY'S STRENGTH
12 CAN'T BE SEPARATED FROM THE HEALTH OF THE PEOPLE WHO DRIVE IT.
13 AND UNDER THESE GUIDING PRINCIPLES, I UNDERSCORE THAT THIS
14 TASKFORCE WILL WORK IN LOCKSTEP WITH DR. FERRER AND PUBLIC
15 HEALTH EXPERTS. THE ECONOMIC RECOVERY WILL NOT BE AT THE
16 EXPENSE OF OUR HEALTH OF OUR RESIDENTS. THANK YOU VERY MUCH,
17 MADAME CHAIR.

21

22 **SUP. SHEILA KUEHL:** THANK YOU, MADAME CHAIR. AND THANKS TO YOU

1 INSTANCE, BRINGING BACK A LIST OF COUNTY ASSETS AND POSSIBLE
2 USES, WHICH IS PART OF THE MOTION, I THINK IS EXTREMELY
3 IMPORTANT BECAUSE THERE ARE WHOLE SEGMENTS THAT WE HAVE NOW
4 KIND OF UTILIZED AND ASKED FOR HELP FROM LIKE OUR HOTELS AND
5 MOTELS WE WILL NEED THINK OF A REAL TRANSITION OF THE USES TO
6 GET BACK TO OUR REAL WORK BUT ALSO WHAT WE'RE GOING TO DO IN
7 RESPONSE TO HAVING TO ADJUST THOSE POPULATIONS. AGAIN, I WANT
8 TO ASK THAT WE INCLUDE IN OUR THINKING ABOUT BRINGING PEOPLE
9 BACK TO WORK AND WHAT ECONOMIC RESILIENCY MEANS THAT WE LOOK
10 AT OUR NONPROFITS, AS WELL. BECAUSE AS I INDICATED FOR THE
11 LAST MOTION, THEY'RE A LARGE PART OF THE WORKFORCE AND ALSO
12 NEEDING A PLAN AND SOME INCLUSION BY US TO GETTING BACK TO
13 WORK. ALSO I NOTICED TODAY AND I HAVE HEARD ALL ALONG THAT
14 VARIOUS SECTORS IN THE ECONOMY ARE MEETING IN THEIR
15 PROFESSIONAL ORGANIZATIONS, WHICH OF COURSE IS WHERE A LOT OF
16 THE EXPERTISE IS. AND I THINK PAYING ATTENTION TO THOSE
17 PROFESSIONAL GATHERINGS, LIKE THE ONE OF ALL THE THEATER
18 OPERATORS THAT WAS REPORTED IN THE TIMES TODAY WILL BE
19 IMPORTANT FOR US TO CONNECT TO, AS WELL, SO THAT WE'RE NOT
20 KIND OF REINVENTING THE WHEEL. BUT I SUPPORT THESE
21 RECOMMENDATIONS. AND I THINK IN TERMS OF TALKING ABOUT A
22 WORKING GROUP TO STREAMLINE THE COUNTY'S CONTRACTING PROCESS,
23 AGAIN, ASKING TO PAY ATTENTION NOT JUST TO THE FOR PROFIT
24 BUSINESSES WITH WHOM WE CONTRACT BUT ALSO WITH OUR NONPROFITS.
25 SO WITH THAT, I THANK YOU VERY MUCH FOR BRINGING THIS TO US.

THE PRELIMINARY TRANSCRIPT
OF THE MEETING OF THE LOS ANGELES COUNTY BOARD OF SUPERVISORS

1 AND I LOOK FORWARD TO THE ESTABLISHMENT AT THE RESILIENCY
2 TASKFORCE. THANK YOU.

3

4 **SUP. KATHRYN BARGER:** THAT'S A GOOD INPUT AND I APPRECIATE IT.
5 SUPERVISOR HAHN?

6

7 **SUP. JANICE HAHN:** THANK YOU, MADAME CHAIR. WOW, YEAH, THIS IS
8 A BIG PLAN. BIG, HUGE REPORT THAT CAME THROUGH ON THIS ITEM. I
9 HAVE A LOT OF PEOPLE LOOKING AT IT AND RESPONDING TO IT. THIS
10 IS CERTAINLY A PRIORITY. AS WE LOOK AT OUR ECONOMIC RECOVERY,
11 IT KIND OF COINCIDES WITH OUR REOPENING A BIT, AND WE HAVE TO
12 BALANCE BOTH. I AGREE WE'RE GOING TO NEED A LOT OF GOOD IDEAS
13 AND REALLY SMART APPROACH TO RESTARTING OUR ECONOMY. AND I
14 HOPE, AGAIN, THAT THE OVERALL UMBRELLA, IS THAT REDUNDANT?
15 OVERALL UMBRELLA? WILL BE HEALTH AND SAFETY BECAUSE, AGAIN,
16 DON'T HAVE A VACCINE YET. WE DON'T HAVE A DRUG TO TREAT YOU IF
17 YOU GET IT. AND THE LAST TIME WE TALKED ABOUT THIS, I THINK
18 SOMETHING LIKE 95 PERCENT OF L.A. COUNTY RESIDENTS CAN STILL
19 GET IT. SO AND EVERYBODY'S VULNERABLE. SO IT ALWAYS HAS TO BE
20 BALANCED WITH THAT. BUT I THINK THIS TASKFORCE IS A GREAT
21 IDEA. AND THANKS FOR INCLUDING THE FULL BOARD, ALL OF US
22 SUPERVISORS, ON THIS TASKFORCE, BECAUSE I THINK WE ALL HAVE
23 IDEAS. WE ALL HAVE PEOPLE IN OUR DISTRICTS. I'M ALREADY
24 GETTING TEXTS FROM PEOPLE WHO WANT TO HELP SERVE ON THIS
25 TASKFORCE. SO, I REALLY APPRECIATE THIS. THE ONLY THING I WAS

THE PRELIMINARY TRANSCRIPT
OF THE MEETING OF THE LOS ANGELES COUNTY BOARD OF SUPERVISORS

1 A LITTLE BIT CONCERNED ABOUT IS THAT THE C.E.O. HAS ALREADY
2 KIND OF PICKED CERTAIN PEOPLE TO SERVE IN SOME OF THESE
3 SECTORS. I'M NOT REALLY SURE HOW THOSE NAMES FLOATED TO THE
4 TOP. I JUST WANT TO MAKE SURE WE ALL HAVE AN OPPORTUNITY TO
5 VET THOSE. I THINK THEY'RE RECOMMENDED SECTORS AND
6 REPRESENTATIVES. AND I KNOW WE'RE STILL WORKING THIS OUT. BUT
7 SOME OF US MIGHT HAVE DIFFERENT IDEAS ON WHO COULD REPRESENT
8 SOME OF THOSE SECTORS. WHILE, AGAIN, JUST EVEN IN EDUCATION, I
9 LOVE CAROL FALK, BY THE WAY, USC PRESIDENT, I THINK SHE'S
10 AMAZING, HAS DONE REALLY WELL DURING THIS PANDEMIC. SHE SENDS
11 VIDEOS OUT FAIRLY REGULARLY TO HER INFLUENCE GROUP. THIS IS A
12 REALLY EXPENSIVE, PRIVATE UNIVERSITY. WE MIGHT WANT TO INCLUDE
13 SOMEONE FROM PUBLIC EDUCATION, AS WELL. AND THE ONLY OTHER
14 THING, AGAIN, AS WE'RE WORKING TO -- BECAUSE I DON'T THINK
15 WE'RE VOTING TODAY SPECIFICALLY ON THE SECTORS AND THE
16 REPRESENTATIVES, BUT WHEN I WAS GOING THROUGH IT, I'M
17 WONDERING IF THE FILM INDUSTRY MIGHT BE ALSO THEIR OWN SECTOR
18 AS OPPOSED TO LUMPING THEM WITH SPORTS AND ENTERTAINMENT?
19 BECAUSE I FEEL LIKE SPORTS IS ENTERTAINMENT. AND THAT'S KIND
20 OF ITS OWN THING. AND THERE'S SO MUCH DIFFERENT CHALLENGES
21 THAT OUR FILM INDUSTRY WOULD HAVE. AND I KNOW THE GOVERNOR HAS
22 APPOINTED ME TO THE FILM COMMISSION. AND I'M JUST WONDERING IF
23 THAT COULD BE ITS OWN SECTOR. AND THEN I THINK THE OTHER
24 SECTOR THAT WE MIGHT WANT TO INCLUDE IN THIS IS OF COURSE THE
25 GOODS MOVEMENT SECTOR, HAVING TO DO WITH OUR PORTS AND OUR

OF THE MEETING OF THE LOS ANGELES COUNTY BOARD OF SUPERVISORS

1 AIRPORT AND THAT WHOLE SEGMENT. AND, AGAIN, PART OF WHAT KNOW
2 ARE UNDERLYING HEALTH ISSUES THAT HAVE BEEN CAUSED BY OUR
3 GOODS MOVEMENT INDUSTRY, AS MUCH AS I LOVE THEM AND THEY'RE
4 SUCH A HUGE ECONOMIC ENGINE IN OUR REGION, WE DO KNOW THAT
5 CORONA VIRUS HAS ATTACKED A LOT OF OUR COMMUNITIES OF COLOR
6 WHO HAVE BEEN -- HAVE THESE UNDERLYING ASTHMA, UPPER
7 RESPIRATORY ISSUES. SO AS WE REOPEN, YOU KNOW, I HOPE WE CAN
8 REALLY BEGIN TO FOCUS ON ZERO EMISSIONS AS WE MOVE FORWARD TO
9 REOPEN SOME OF THESE SECTORS BECAUSE I DON'T WANT TO LOSE SOME
10 OF THE GAINS THAT WE'VE GOT BY HAVING OUR ENTIRE SOCIETY SHUT
11 DOWN. WE DO HAVE BETTER TRAFFIC. WE DO HAVE CLEANER AIR. AND
12 I'M HOPING AS WE LOOK AT THIS TASKFORCE TO HAVE ECONOMIC
13 RECOVERY WE DON'T LOSE SOME OF THE GAINS THAT WE'VE MADE IN
14 TERMS OF HEALTH ISSUES. SO THANK YOU.

15

16 **SUP. KATHRYN BARGER, CHAIR:** THANK YOU, SUPERVISOR HAHN.
17 KEVIN, ARE YOU ON? WOULD YOU LIKE TO MAKE SOME COMMENTS? KEVIN
18 MCGOWAN?

19

20 **KEVIN MCGOWAN:** GOOD MORNING, SUPERVISORS. KEVIN MCGOWAN HERE.
21 SO, TO ADDRESS THE FIRST ITEM RELATED TO OUR RECOVERY
22 STRUCTURE WITHIN THE EMERGENCY OPERATIONS CENTER, LAST WEEK WE
23 STOOD UP A RECOVERY SECTION THAT ADDRESSES MULTIPLE FUNCTIONS
24 TOWARDS RECOVERY, INCLUDING RECONSTITUTION OF COUNTY
25 DEPARTMENTS. AND WE CONTINUE TO ENGAGE IN DEVELOPING

THE PRELIMINARY TRANSCRIPT
OF THE MEETING OF THE LOS ANGELES COUNTY BOARD OF SUPERVISORS

1 OBJECTIVES AND STRATEGIES TO DEVELOP RECOVERY EFFORTS THAT
2 WOULD BE INCLUSIVE OF BOTH THE COUNTY WORKFORCE AND THEN THE
3 BROADER OPERATIONAL AREA INCLUDING ALL OF OUR CITIES AND
4 PARTNER AGENCIES. AS THE ECONOMIC RESILIENCY TASKFORCE IN THE
5 MOTION, WE ENVISION THAT IT COULD SERVE AS AN OVERALL UMBRELLA
6 PROVIDING STRATEGIC GUIDANCE TO THE BOARD, WHICH WOULD THEN
7 DIRECT THE COUNTY EXECUTIVE OFFICE AND THE EMERGENCY
8 OPERATIONS CENTER IN THE IMPLEMENTATION OF THOSE OBJECTIVES.
9 IN ADDITION TO THAT, WE CAN LOOK AT ALL OF THE RECOMMENDATIONS
10 AS JUST RECOMMENDATIONS AND THAT SECTORS AND MEMBERS OF THE
11 TASKFORCE ARE REALLY GOING TO BE DECISIONS FROM THE BOARD OF
12 SUPERVISORS. AND, LASTLY, I WOULD JUST FINISH WITH THAT THESE
13 STRUCTURES ARE ADAPTED TO THE CONDITIONS SO THE STRUCTURES
14 THAT WE HAVE IN PLACE RIGHT NOW WILL MOST CERTAINLY CHANGE
15 FROM THE SHORT-TERM TO THE MEDIUM TERM AND TO THE LONG TERM
16 AND WE WILL CONTINUE TO REPORT BACK TO THE BOARD WITH UPDATES
17 AND SEEK GUIDANCE FROM THE BOARD ON HOW TO MAKE AN EFFECTIVE
18 STRUCTURE MOVING FORWARD. THANK YOU.

19

20 **SUP. KATHRYN BARGER, CHAIR:** ALL RIGHT. THANK YOU. SEEING NO
21 ONE ELSE HAS REQUESTED FROM THE BOARD TO TALK, WOULD YOU
22 PLEASE READ --

23

24 **SUP. HILDA SOLIS:** MADAME CHAIR? MADAME CHAIR, I'M SORRY. THIS
25 IS SUPERVISOR SOLIS. I JUST WANTED TO COMMENT ON SUPERVISOR

THE PRELIMINARY TRANSCRIPT
OF THE MEETING OF THE LOS ANGELES COUNTY BOARD OF SUPERVISORS

1 KUEHL'S QUESTION ON COMMUNITY-BASED ORGANIZATIONS. THEY ARE
2 INCLUDED IN -- UNDER THE INSTRUCT THE DIRECTOR OF COUNTY
3 EMERGENCY OPERATIONS CENTERS TO WORK WITH WIDAC. IT ALSO
4 UNDERSCORES THE PARTNERSHIP BETWEEN EDUCATION, LABOR,
5 INDUSTRY, THE PUBLIC, WORKFORCE SYSTEM, COMMUNITY-BASED
6 ORGANIZATIONS, NONPROFIT ORGANIZATIONS, AND OTHERS. SO I DID
7 WANT TO UNDERSCORE THAT IT WAS INCLUDED, SUPERVISOR KUEHL, IN
8 OUR ADDRESS.

9

10 **SUP. SHEILA KUEHL:** THANK YOU, MADAME VICE CHAIR. THANK YOU.

11

12 **SUP. KATHRYN BARGER, CHAIR:** THANK YOU. NOW WOULD YOU PLEASE
13 READ THE NAMES OF THOSE INDIVIDUALS THAT HAVE SIGNED UP ON
14 THIS ITEM? THAT HAVE SUBMITTED TESTIMONY.

15

16 **CELIA ZAVALA, E.O.:** THANK YOU, MADAME CHAIR, THE FOLLOWING
17 ARE THE INDIVIDUALS WHO SIGNED UP IN FAVOR OF ITEM 20.
18 (READING NAMES). AND THOSE WHO SIGNED UP UNDER "OTHER".
19 (READING NAMES). THOSE ARE THOSE WHO SENT IN PUBLIC COMMENT ON
20 THIS ITEM.

21

22 **SUP. KATHRYN BARGER, CHAIR:** THANK YOU. SO SEEING NO ONE HAS
23 REQUESTED TO SPEAK ANYMORE, BOARD MEMBERS, I'M GOING TO MOVE.
24 SECONDED BY SUPERVISOR SOLIS. WOULD YOU PLEASE CALL THE ROLL?

25
